

Muhammad Abid

SOFTWARE ENGINEER AND PENTESTER

Address: Dist Khyber Peshawar

Email: muhammadabid2120@gmail.com

Portfolio: <https://muhammadabid.vercel.app/>

SUMMARY

I am a Software Engineer with a strong passion for cybersecurity and ethical hacking. I specialize in web application testing, penetration testing, and network scanning, with hands-on experience identifying vulnerabilities and security loopholes. Skilled in problem-solving and digital security practices, I am committed to continuously learning advanced techniques to deliver safe, robust, and high-quality tech solutions.
